## HEART TOTE

### SUPPLIES

- washed canvas tote bag
- fabric pen, your choice of color
- ruler (longer than tote width)
- pencil

### DIRECTIONS

1. Lay tote bag flat on a work surface.
2. Place your ruler along the left edge of the bag. Use a pencil to draw light marks 1 inch apart, starting at the bottom. Repeat on the right edge.
3. Place your ruler along the top edge of the bag so the inch mark is an equal distance from both edges of the bag. Use a pencil to draw light marks 1 inch apart. Repeat on the bottom edge of the bag.
4. With the ruler and a pencil, draw lines across the bag to connect the left and right marks.
5. With the ruler and a pencil, draw lines down the bag to

connect the top and bottom marks.

6. Now you should have a 1-inch grid on the face of your bag. On the grid intersections, use the fabric pen and draw a small heart. Repeat until all the intersections have a heart.
7. Let ink dry per the fabric pen's instructions.
8. If desired, repeat all steps for the other side of the bag.
